

GOLDEN KEY INTERNATIONAL HONOUR SOCIETY AT FLORIDA STATE UNIVERSITY

APRIL 2006

Hello Golden Key Members,

As we enter the last month of the semester, I can't help but think about how fast it seems to have passed. As you will recall, we focused on the membership drive this semester. We invested a lot of time in producing a General Information Pamphlet, planning the Sophomore Reception & Golden Opportunities, and attending three Market Wednesdays under our big blue canopy. We are hoping that all of the hard work will pay off and we expect to have another great year for new membership.

I would like to say that we have also seen a good year for Active Membership. Our last General Meeting was the best I've seen and I'm hoping to see an even better turnout on **April 5th**. I would like to reiterate that there are a few very good reasons to come to this meeting in particular: we will be holding **General Elections** for the upcoming academic year, we will be announcing the **Active Member System** (including requirements and rewards), and there will be a presentation by the Princeton Review where we will raffle off books and a **FREE Princeton Review Prep Course Gift Certificate**.

It is important to me that our Active Members are rewarded for their continued involvement with the Society. It is with great pleasure that I will be announcing the new Active Membership System at this Wednesday's meeting. The executive board is already beginning to plan next year's calendar of events and I assure you all that you can look forward to many fun social and service events. It is my belief that General Meetings should be fun, informative, and pertinent to this mutual stage of our lives. You can expect to have fun at the events and meetings and also be rewarded for your involvement, making FSU Golden Key the ultimate win/win/win situation!

See you Wednesday!

APRIL 2006

Relay For Life was held this past Friday and Saturday. It was a lot of fun and I would like to thank everyone on the team who came out to help support the American Cancer Society as well as to help Golden Key's involvement in this event. As a team we raised over three hundred dollars for the event. Some of the money came from personal donations and collections, so thanks to everyone who helped. We were able to raise some of the money from the Coldstone fundraiser that was held on March 27, and I appreciate everyone who came out for that. We also sold FSU R4L bracelets, which were a hit as well as doing a 50/50 raffle on Market Wednesday last month. I'd like to especially thank the winner of the raffle, **Katie Bunson**. Half of the proceeds went to the American Cancer Society, but Katie chose to donate her half to the Society.
