Welcome back to school, Golden Key Members,

The semester is already well on its way and there will be a lot going on with Golden Key this year. We'll have plenty of events that will help to prepare you for either **entering the job market** or **continuing education**. At the end of the year, when you are getting ready to graduate, we hope that we will have provided you with ample opportunity to **fill your resumes** with valuable experience and additional recognition. This year, you can expect many valuable opportunities: **Active Member Benefits & Recognition, Executive Board, Leadership Conference, and Community Service.**

Starting with our first **General Meeting on Sept. 13**, we have planned a very full calendar of events, which culminates in the **Annual Scholarship & Recognition Dinner** at the end of the **Spring semester**. There, we will recognize many Golden Key members and other undergraduate scholars with awards, including **three new awards**: the two Outstanding Active Member awards and the Outstanding Volunteer Service Award.

For a few of us who attended this year's International Conference in Scottsdale, Arizona, this year has already gotten off to a great start. I'm really excited about this upcoming year and I hope that you all can be, too. It's up to us to make sure that we encourage the new members in October to be enthused about this organization to carry it past this year. Good luck with everything—see you next week.

Joshua Alan Ellis
President

GOLDEN KEY INTERNATIONAL HONOUR SOCIETY AT FLORIDA STATE UNIVERSITY

SEPTEMBER 2006

This Month...

In September, there are a few events to look forward to. At the first **General Meeting**, we will go over officer opportunities, the new awards, new FSU GK merchandise, and the full calendar of events, including new, exciting events. The meeting will end with a brief presentation from our Faculty Advisor, the Director of the Career Center. As always, food will be served, you will have time to peer network, and guests are welcome.

If you recall, we began our **membership drive** last spring and it continues this month. **Every Wednesday** of this month, we will be tabling at the **Union**. If you find yourself on campus around lunchtime, come on out to the table to help answer questions and promote Golden Key.

For those of you who might like some extra insight into what you'd like to do after you graduate, keep in mind that **Seminole Futures Career Expo** is this month on the 29th. "Seminole Futures is a career exposition for **full-time, co-op and internship** opportunities with companies, non-profit and government agencies. **Over 175 companies** and more than **1,500 job seekers** attend this exposition."

At the end of the month, we will hold an **LSAT Strategy Session** and **practice test**. As you know, we recently signed a fantastic partnership agreement with the **Princeton Review** that gives us many benefits, including a **10% discount** of prep courses for all chapter members.

President

Service

Look out for great **Service opportunities**. We will seek out and organize great ways for you to serve the local and global communities. All you have to do is stay tuned to the newsletters and chapter website. Also, keep in mind that you can have your service hours documented on your **official transcript** with ServScript—something that employers and admission board members like to see. To begin documenting your service, go to Blackboard Secure Applications and follow the link for **Volunteer Tracking System**. While you're there, you can also check out the **Center for Civic Education & Service** website by clicking the Civ Ed link. Try to find something you'll really enjoy doing, bring some friends and go have fun with service!

Executive Board Opportunities

Think you'd like to try out a spot on the Golden Key executive board? We will be holding General Elections next month after the new member Induction Ceremony. This is a great way to stand out among other job and graduate school prospects and a great opportunity to grow as a member of a team and a leader.

For more information about these opportunities, check out the Officer Duties page on our chapter website or contact one of the current officers—we'd be glad to give you advice.
